WORK EXPERIENCE

Teach For China

Project Fellow

Jul. 2014 - Jun. 2016

Teach For China enlists the most promising young leaders to offer two-year volunteer service in Yunnan and Guangdong as we believe that one day, every child enjoys access to a quality education no matter where they are born.

- Designed biology, geography and fine art courses basing on 'Act-Observe-Cognize' model; Improved students' grades to 73.11% after analyzing it with SP Table and R
- Schemed and organised Organic Education Program for local schools with \$19,200 a year to offer liberal education course for students, cooperating with local governments, Chen Yidan Foundation, Tecent Charity, Changzhou Sunshine Charity Union, Bachuan International School etc;
- Took charge of data tracking and analysis for the entire duration of the Organic Education Program to measure the impact and the legacy with cooperation from Harvard University SEED Lab;
- Launched a hiking competition to collect donations for 500-Dollar Scholarship Program from COFCO TRUST and benefited more than 30 students;
